- And much more...

CAREER OPPORTUNITIES

Production positions at Banker Wire are atypical as there is a great deal of on the job training involved for the skilled work we perform. Our production operators are tasked with setting up their machines as well as running production orders. While we have a demanding environment, we offer many opportunities for advancement. Our "pay for performance" philosophy lends itself to a very generous compensation package.

In addition, we support our employees in technical training and advanced schooling. We have a history of individuals that have advanced through the company and promotion from within is always our goal.

OUR CUSTOMERS

We manufacture woven and welded wire mesh for many high-profile customers in a variety of major industries worldwide.

WHAT DOES THIS JOB AND WORKING AT BANKER MEAN TO YOU?

"Banker Wire means the opportunity to help and make products for other companies and really be able to develop skills that can help you throughout life."

WHAT ABOUT WORKING AT BANKER DO YOU LIKE THE MOST?

"I like how everyone is friendly there and how understanding they are. When you're working & making products it doesn't feel like a job. It's nice just to be able to go in and just have a relax and fun work day."

WHAT ABOUT WORKING AT BANKER DO YOU LIKE THE MOST?

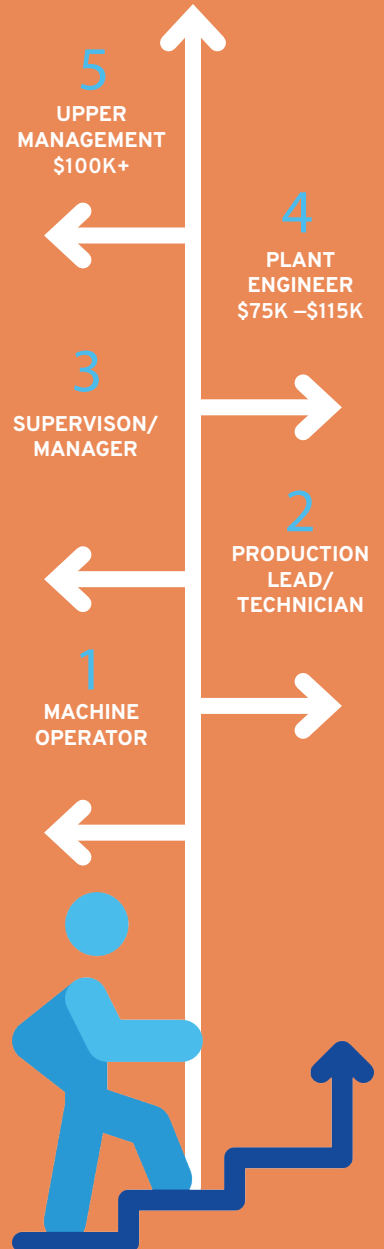

"I hope to continue my career path with Banker after I finish this semester because this company is really something special. This isn't like any old company & what we do is different from the rest. That's why I want to stay at Banker because you always get to work on and try new things."

MORE ABOUT WORKING AT BANKER

REQUIREMENTS

First and foremost we're looking for passionate individuals that take pride in their work. Attention to detail, strong math skills, and understanding measurements is a necessity. For maintenance positions, a strong mechanical background is a plus. For operator positions, experience in a production setting within the steel industry is beneficial.

SKILLS

Accuracy, attention to detail, measurement, and mathematical skills are crucial in our industry. Skills that are unique to the wire mesh industry and Banker will be taught on the job.

CULTURE + COMMUNITY

Banker Wire's culture is one of hard work and dedication with a laid back atmosphere among employees. Frequently we have special company-wide lunches and picnics as well as a winter holiday party to reward the hard work of all our employees.

Banker Wire provides an on site Fitness Center for employees to use, and an on-site Cafeteria to purchase lunch.

Banker Wire also frequently sponsors Mukwonago sports teams and some community events.
